Subject: Meeting at NCI on Wednesday August 19
Date: 08/18/2009 11:04 AM

Laura Beane-Freeman had some difficulty finding a conference room on such short notice, but she managed to secure a room from 1:30 to 3:00. We must vacate the room at 3:00. The meeting will be in 6120 Executive Boulevard, which is the building across the breezeway from where we held our Working Group meeting last year. We will assemble at the front desk, and then call Laura. She will escort us to the conference room. NCI attendees will include Laura Beane-Freeman, Jay Lubin, Bob Hoover, and Michael Hauptmann (via telephone). Trish Stewart will not be at the meeting, but we can call her if we have any questions.
